'Love one another, as I have loved you'

23rd March 2018

Dear Parents and Carers,

We are coming towards the end of the Spring term and have had an exciting week. Year 2 have been particularly excited about the arrival of three new chicks, thank you to the PTA for funding this Awe and Wonder experience for the children. Last night the children in Year 3 received the sacrament of First Forgiveness, the children led the service beautifully and Father Stephen congratulated them all on how well they all did. The children in Key Stage 2 have all visited Holy Family this week to take part in a Prayer Trail, which was led by children in Year 6 who did a fantastic job. Thank you to all of the parents who came to the Celebration Assembly this morning,

Have a lovely weekend,

N. Turner (Headteacher)

We are a Food Allergy Aware School

We have a number of children in school with severe allergies to peanuts and nuts. Because of the severity of these allergies we are asking you to be mindful of this when sending food into school.

If you decide to send in treats for birthday celebrations, we encourage you to send in nut free treats.

If your child does have peanut butter, Nutella or other products containing nuts in their lunch please

encourage them to wash their hands after eating.

Thank you for your co-operation in this matter.

Chicks

There was great excitement in Year 2 this week as three of the eggs that they have been incubating hatched. Ben, Twinkle and Rosy are doing well and the children have all handled Ben and Twinkle very carefully. Rosy hasn't been handled as she had a bit of a traumatic hatching and we were quite concerned about her but she seems to have grown stronger overnight.

A Special Day for Mrs Manley!

Mrs Manley celebrated a special birthday today and we have had a lovely morning of surprises which included: a visit from the 'Sorting Hat' and 'Birthday Hat' to sing Happy Birthday at the end of our wonderful celebration assembly; gifts and presents in the staffroom during lunch, and some lovely Easter cakes and sandwiches to enjoy. We wish you a well-deserved and lovely birthday weekend with your family!

Lunchtime

If you provide a yoghurt in your child's lunchbox, we would be grateful if you could supply a spoon for them to eat it with. We seem to have a shortage of spoons and we're not sure if children are accidentally taking them home or accidentally throwing them away with the yoghurt pot.

Also, in the interests of health and safety, if you are providing grapes for your child they **must be** cut in half.

Lost Property

Weather permitting our mountain of lost property will be displayed outside the main entrance from Monday. Please look through it for any lost items. Anything left on Wednesday will be disposed of.

Celebration Assembly

We had the Celebration Assembly for the Spring term this morning when we recognised and celebrated some of the wonderful things that have been going on at Ladymount this term including a variety of sporting awards, attendance awards, recognition of the work of the Prayer Leaders, awards for effort, achievement and progress, the Caring Cup, which was awarded to Phoebe McGregor, and the Hollie Roberts Shining Star Award, which was awarded to Harry Paziuk.

Well done to everyone who received an award!

Mrs Murray

Please remember Mrs Murray in your prayers over the next few weeks as she is not very well. Mrs Murray taught here at Ladymount for 29 years and is a very special member of our Ladymount family.

Easter Egg Raffle

We will be holding our 'egg-citing' annual Easter egg raffle on the last day of term, 28th March. Donations of Easter eggs will be gratefully received and can be brought into school up until Wednesday morning. Raffle tickets will be on sale until Tuesday 27th March at a cost of 10p each. All money raised will donated to Caritas, Shrewsbury.

Parking

Sorry that this item has got to return to the Newsletter so often but parking is an issue outside school with a minority of people still not showing due care and consideration to other road users or to our long-suffering neighbours. They do not appreciate cars being left across their paths, blocking their access to, or stopping them from leaving, their property. Please park sensibly and considerately, and also be vigilant when pulling into or leaving spaces that there are no children crossing the road. Also be careful around the car park entrances. Thank you.
